CIRCLE TO LASSO

Try draw a circle around the paper that says “circle me” **and long press with your tip on the line**

Video Demo

LETS DIG DEEPER WITH LASSO TOOL

Step 1. Use the lasso tool and circle this handwritten equation

$$(a+b)^2$$

Step 2. Now you see the blue dotted line? Tap in the middle of your selected area

try "Convert" → "Math"

With the lasso tool you can also:

- Change stroke color
- Cut /Copy
- Resize
- Take screenshots and more !
